lu - jah by and by I'll fly a - way

When the shadows of this life have gone
I'll fly away
Like a bird from these prison walls I'll fly
I'll fly away

Oh how glad and happy when we meet
I'll fly away
No more cold iron shackles on my feet
I'll fly away

Just a few more weary days and then
I'll fly away
To a land where joys will never end
I'll fly away
